# Dog of the Week: Champ #90919

18

When I first arrived, I was a bit unsure of the shelter life. Who wouldn't be a little shy in a new place? But now that I've spent a bit of time here, I'm feeling more relaxed. I've been learning that humans can be pretty great! Once I get a chance to warm up, I become a big ball of affection! Treats definitely help me come out of my shell. With a little patience and gentle introductions, you'll see my affectionate side shine through. Nothing makes me happier than a little cuddle or some shared time. If you're looking for a loving buddy who's ready to grow and learn with you, I might just be the one!

When you first meet me, you might notice just how calm and friendly I can be. The moment my kennel door opens, I'm ready to greet you with a chirp and a meow! There's something magical about a gentle touch, and I can't get enough! When you pet me, I'll nuzzle right in, making biscuits with my paws. If you try to stop, you might feel my playful love bites as I gently grab your hand, begging for just a little more affection. So, if you're looking for a big, affectionate kitty who just wants to be adored, I might be your purr-fect match!
